

# 3100 Hufcor design ACCORDION PARTITION

## 31 STC Hufcor design, dual-wall doors for enhanced sound transmission control.

Accordion partitions consist of two laminated covers assembled with steel pantographs supported by aluminum-covered steel channel posts at each end. Woodfold's Hufcor design Acoustic Partitions are easy to operate, durable and come in a wide variety of options and finishes. Accessories are available for the standard single door to be used as pairs, with intersecting doors, or be moved to alternate locations. Accordions are a popular choice for schools, public and religious facilities.

**Sound Transmission Class (STC):** The Hufcor design 3100 Acoustical Partition has a sound transmission class (STC) rating of 31. *The specific test procedure is defined by ASTM E90.*
